RE: Roof Maintenance  
Leon County Courthouse  
301 South Monroe Street

Dear Mr. Mock:

As requested, Dove Roofing Company, Inc. submits the following proposal for roof maintenance/roof coating of the Leon County Courthouse roof:

1. Existing roofing is approximately 630 squares of Firestone EPDM membrane fully adhered to insulating concrete decking. Existing membrane is surface coated with Firestone PC-100 white acrylic roof coating. Dove Roofing Company, Inc. is a Firestone approved contractor for installing and maintaining Firestone products and Firestone warrantied roofing systems.
2. Entire EPDM roof surface to be pressure washed. Minor deficiencies on roof surfaces to be marked for repair. Any deficiency noted, not of a minor nature, to be immediately reported to owner's representative.
3. Marked minor deficiencies to be repaired.
4. Entire EPDM roof surface to be recoated with Firestone PC-100 white acrylic roof coating. Coating to be installed in two coats.

Price for work as specified: \$29,854.00

Thank you for allowing us the opportunity of providing this proposal.

Sincerely,

John L. "Jody" Dove, CPRC  
Dove Roofing Company, Inc.
